

The Butler County Domestic Relations Court has scheduled an upcoming hearing by video conference. You will receive a link to join the meeting via email. Alternatively, you may also visit WebEx and enter the meeting identification. **Do not share the link or meeting ID with others.**

**The scheduled time is approximate and you are expected to be available for one hour after start time. Please anticipate delays with this process.**

Participation in a final evidentiary hearing by video conference is voluntary. You are not required to appear by video conference to finalize your Divorce or Dissolution.

The video conference hearing is designed for individual use only and should not be projected or broadcast in group settings.

The integrity and security of the hearing is essential. Please sign-on in a secure room away from children and pets. Please be dressed appropriately.

SOUND QUALITY is essential. An external microphone may be needed to ensure sound quality while screen recording.

You will be asked to show your identification at the time of your hearing.
