

## SUMMARY

If you have an invite to join a Webex meeting, and you can't download the installer, you can still join the meeting using the web app. You don't need to install anything using the web app, it launches in your web browser.

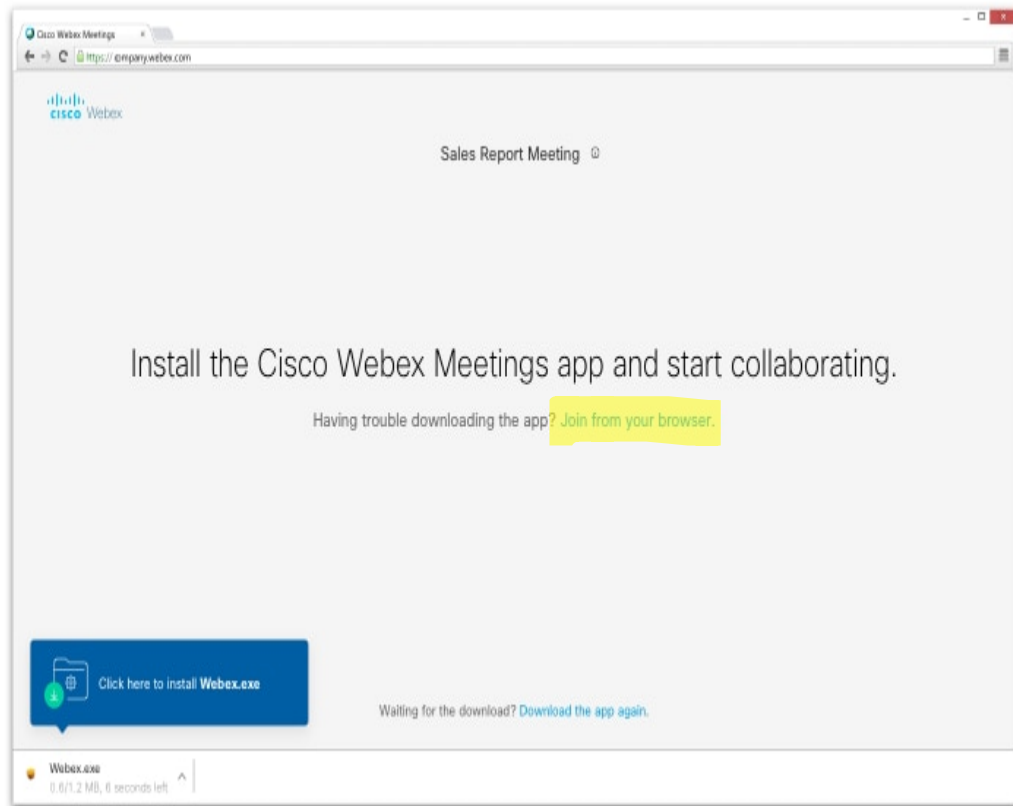

## PROCEDURE

Click **Join** in your email invitation to join the video conference.

2

The web app opens in your browser and you click Join from your browser.

3

Change your audio and video settings before joining your meeting.
